CONTAGIOUS

Think!

**OWNER'S
ADVISORY
EXCELLENT MUSIC**

World of Fear

Music: Contagious
Lyrics: Frank Nitsch & Mark Czibere (May 1999)

when you open your eyes - everything seems to be nice
you might get the perception - there's only love and affection
but when you grow up you see - step by step
life can be unjust - in vain you look for a hold

where is the world that we don't have to fear
where people trust each other
where people dare to be fair
where is the world that we don't have to fear

already as a child - you know the rules of the game
to be ruthless in life - and to exploit fellow men
you are disappointed - and you feel desperate
you long for peace - but your wish will never come true

Refrain

Think!

Music: Contagious
Lyrics: Frank Nitsch (May 1999)

you try to avoid - thinking for yourself
you support your opinions - but in fact they're not yours
you have never really thought - about them
you are an expert at - repeating parrot-fashion

think for yourself,
don't believe just what they tell you
switch on your brain and

think for yourself,
don't believe just what they tell you
switch on your brain and think!

day by day you read their propaganda - in the popular daily
you simply support their point of view -
no matter if it makes any sense
doing so you give them enough power - to mislead the masses
you will form your own opinion after all - if you think for
yourself

Refrain

you read it - believe it
you hear it - repeat it

Lebst Du?

Music: Contagious
Lyrics: Frank Nitsch (November 1999)

du bekamst deine Hände nicht, um sie in den Schoß zu legen
sondern um sie zu bewegen
du bekamst deine Augen nicht, um mit ihnen wegzuschauen
sondern um zu entdecken
du bekamst deine Beine nicht, um sie einfach hochzulegen
sondern mal für etwas aufzustehen
du bekamst deine Finger nicht, um sie verkümmern zu lassen
sondern Dinge zu schaffen

öffne deine Augen

denkst du denn du lebst - nur um Spaß zu haben?
denk doch einmal nach - und nutze deine Gaben!
denkst du denn du lebst - ohne jeden Sinn?
hör auf darauf zu warten - und beginn!

du bekamst deine Ohren nicht, um sie ständig zu verschließen
sondern um zuzuhör'n
du bekamst deine Gedanken nicht, um sie dauernd zu
verdrängen, sondern entscheiden zu können
du bekamst deine Stimme nicht, um dich ständig rauszureden
sondern Standpunkt zu bezieh'n
du bekamst dein Leben nicht, um dich dauernd zu beklagen
sondern ja dazu zu sagen

nutze deinen Geist

Devil Inside Me

Music: Contagious
Lyrics: Frank Nitsch (June 2000)

you don't dare to ask
your fear is too strong
you suppose it's a mask
I tell you you're wrong

you can easily prove it
you just need to provoke it
you will wish it undone
once unleashed control's gone

it's a devil inside me
it's trying to get out
it's fighting against me
it's trying to get out

Habit of Ungratefulness

Music: Contagious
Lyrics: Frank Nitsch (December 1998)

I live a life of luxury
I have a home
I don't lack anything

but from time to time
things come to my mind
things I'd like to have

*and I miss
that it could be much worse*

thanx, but I want more
though I have all I need
more than I really need

I want more - more of it
I don't appreciate
all the things you gave me

I live a life of luxury
I have a home
I don't lack anything

but from time to time
things come to my mind
things I'd like to have

these things let me forget
to appreciate
all the things I have

I live in freedom
I have work
I have good friends
and I'm healthy

Absorber

Music & Lyrics: Frank Nitsch (1995)

have you ever seen his face
reflects all his haze
his sight hits hard deep inside
his thoughts consist of mental waste

all the lies that have been told
all hate you built up
all sorrow of this world
he tried to ward off in vain

he absorbs your pain, your hatred, your lies
he gets insane, 'cause you never tried to
make him understand that weird game you call life

look in his eyes, they're full of your lies
'cause you never tried, 'cause you never tried to
make him understand that weird game you call life

have you ever seen my face
reflects all my haze
did you ever look in my eyes
my sight hits hard deep inside
